MDF 797 Classic Cardiology™ STETHOSCOPE

Constructed from premium-grade acoustically-superior stainless steel, the MDF® Classic Cardiology™ Stethoscope delivers accurate auscultation of heart, lung, and Korotkoff sounds with acoustic integrity and clarity. With its extra-deep cone-shaped bell and ultrasensitive diaphragm, this cardiology stethoscope detects the entire frequency range required by cardiologists. The Classic Cardiology™ is the ultimate diagnostic instrument with unmatched performance, durability, and aesthetics.
